

Anupam Manna

Chemical Engineering Undergraduate

I am final year undergraduate student of chemical engineering department at Jadavpur University looking for entry level position where I can apply my technical as well as managerial skills to solve real life problems and learn from industry experts. I enjoys new experiences and challenges, interested to learn new technologies.

SKILLS

Microsoft Word, Excel, PowerPoint

Unisim

AutoCAD

MATLAB

Python

Power BI

Data Analysis

Adaptability

Critical Thinking

Problem Solving

LANGUAGES

English

Full Professional Proficiency

Hindi

Full Professional Proficiency

Bengali

Native or Bilingual Proficiency

INTERESTS

Reading

Drawing, Gardening

Playing Guitar, Listening Music

Playing Chess, Cricket

Meditation

EDUCATION

B.E. in Chemical Engineering

JADAVPUR UNIVERSITY, Kolkata

09/2019 - 05/2022

CGPA 8.26/10 (till 7th semester)

Courses

- Project Title : Comparative Studies on Delignification Methods

Diploma in Plastics Technology

CENTRAL INSTITUTE OF PLASTICS ENGINEERING AND TECHNOLOGY, Haldia

08/2016 - 05/2019

Percentage 80.04/100

Courses

- Plastics Processing and Testing

PROJECTS

Comparative Studies on Delignification Methods (01/2021 - 12/2021)

- Theoretical studies of research papers on various delignification methods available and making literature review and project report under the guidance of Prof. Sujata Sardar, Chemical Engineering Department, Jadavpur University

Internship Project | Vardhan Consulting Engineers · (01/2022 - Present)

- Waste To Energy - MSW Management

Uber Trips Analysis (09/2021 - 10/2021)

- Complete a project on prediction of google apps rating of a Kaggle data set using python Jupyter notebook and observed that in evening time booking rate is high and Saturday is too low than Sunday.

Agricultural Production Optimization (01/2022 - 02/2022)

- Complete a project of making a predictable model using machine learning technique to optimize agricultural production by analyzing soil, and climate.

INDUSTRIAL TRAINING

Vocational Training

Indian Oil Corporation Limited, Haldia

07/2021 - 08/2021

Achievements/Tasks

- Studies on Lube Oil Block, HGU I, VDU II, DHDS unit present in IOCL Haldia plant

ACCOMPLISHMENT

- Student member | Indian Institute of Chemical Engineers | Kolkata Chapter (09/2020 - Present)
- Student Volunteer | Social Services | National Service Scheme | Jadavpur University (11/2019 - Present)
- Certificate in Computer Application | National Computer Saksharta Mission (07/2019 - 12/2019)
- Campus Ambassador | Science and Technology | TRYST, IIT Delhi (01/2020 - 03/2020)
- What is Data Science? | COURSERA (01/2022 - Present)
- Event Management Intern | Social Services | Aashman foundation (NGO) (03/2021 - 06/2021)

ACHIEVEMENTS

Got 2nd State Rank in Plastics Technology Branch | West Bengal JELET Examination 2019, conducted by WBJEEB
