Profile

I have completed Master in Process Engineering and Energy Technology at Hochschule Bremerhaven, Germany. I know the methodological skills of various constraints of SAP ERP PP (Production Planning) as well as S4HANA. I like to face new challenges and have a solution-oriented way of thinking. I want to work in SAP PP area and learn new things by facing the problems of the modern world. I feel comfortable meeting and communicating with new people. Adaptable with extensive experience providing first-class results. Meets job demands and deadlines through diligent work-ethic and dedication to quality.
