CAREER OBJECTIVE

I am a final-year mechanical engineering student at K. J. Somaiya College of Engineering and I am passionate about supply chain management. I am interested in the fields of supply chain management, manufacturing, and electric vehicles. I am aspiring to build a successful career in the abovementioned field so as to explore and increase my potential in this competitive world and to secure a challenging position where I can effectively contribute my skills. My main objective is to constantly update my knowledge and skills and to work effectively towards the objectives of my career enhancement and the company's progress.

SKILLS

- SUPPLY CHAIN MANAGEMENT
- MANUFACTURING
- ELECTRIC VEHICLE
- GRAPHIC DESIGNING

EDUCATION

K. J. SOMAIYA COLLEGE OF ENGINEERING

B.Tech. in Mechanical Engineering

CGPA: 8.19/10.0(till 7 Semester)

Relevant Coursework: Supply Chain Management, Operation Research, Project Management

Mumbai

Expected Jun 2023

N. K. GOKHALE HIGHER SECONDARY SCHOOL OF SCIENCE

12th/HSC

Percentage: 66.92

Vocational subject: Computer Science

Akola

Jul 2018 - Jun 2019

SMT. L. D. PATEL HIGH SCHOOL

10th/SSC

Percentage: 83.00

Akola

May 2016 - Jun 2017

INTERNSHIP

ELECTRIC VEHICLE INTERN

Elite Techno Group

- Learnt about electric vehicle architectures, batteries, battery management system, battery pack and controlling

Online

Aug 2021 – Sep 2021

POSITIONS AND RESPONSIBILITY UNDERTAKEN IN COLLEGE

THE MARINE ROBOTICS TEAM (TMRT)

Mechanical team member

- Design and manufactured various parts of the bot and testing the bot to keep ready for the competition

Mumbai

Aug 2020 – Jun 2022

MECHANICAL ENGINEERING STUDENTS ASSOCIATION

Creative Head

Jt. Creative Head

- Design a poster and create videos and do other graphic designing work of the team

Mumbai

Jul 2021 – Jul 2022

Jul 2020 – Jul 2021

PROJECTS

LEAKAGE SOURCE DETECTION USING THERMAL SENSOR

- Designed a solution to detect the leakage in 4-person team using thermal sensor

2022

PROTOTYPE MANUFACTURING OF AUTOMATIC EXERCISE EQUIPMENT FOR WRIST REHABILITATION

- Designed and manufacturing a prototype for wrist rehabilitation exercise for Physiotherapist in 4-person team

2022-23

KEY SCHOLASTIC ACHIEVEMENTS

SECURED 28 RANK IN STATE AND 299 ALL INDIA RANK IN NSTSE

Conducted by Unified Council

2018

SECURED 83 PERCENTILE IN TECHNOHLON

Conducted by Techniche - IIT Guwahati

2015

CERTIFICATIONS

SPECIALIZATION IN SUPPLY CHAIN MANAGEMENT

Coursera

2022

GRAPHIC DESIGN MASTERCLASS INTERMEDIATE: THE NEXT LEVEL

Udemy

2021

NANODEGREE - ELECTRIC VEHICLE

Elite Techno Group

Ongoing

EXTRACURRICULAR ACTIVITIES

TAKEN PART IN ORGANIZING GROUP OF TECHNICAL FEST AND CULTURAL FEST OF COLLEGE

Mumbai

Sep 2019 – Feb 2020

PERSONAL INTERESTS

- STOCK MARKET
- CYCLING

- GRAPHIC DESIGNING
- PLAYING BADMINTON
