-  faizalam7368@gmail.com
-  Boys hostel-7, NIT Jalandhar, Punjab, India, 144027

## SKILLS

- Technical Skills:** ChemDraw Professional, Origin, Microsoft Office, Microsoft PowerPoint, Microsoft Excel (Beginner).
- Laboratory Skills:** TLC, Rotary Evaporator, UV visible spectroscopy, Fluorescence spectroscopy.

## LANGUAGES

- English
- Hindi

## EDUCATION

-  **Master of Science ( Chemistry)** 2021-2023  
Dr B R Ambedkar National Institute of Technology, Jalandhar, Punjab, India.
-  **Bachelor of Science ( Chemistry)** 2018-2021  
Aligarh Muslim University, Aligarh, U.P, India.

## EXPERIENCE

-  **Summer Training Program** 01 June- 15 July 2022  
**Department of Chemistry**  
Sant Longowal Institute of Engineering and Technology, Longowal, Punjab, India.
  - Worked on Schiff Base Synthesis
  - Gained hands-on experience with laboratory skills like TLC, Column Chromatography, and Rotary Evaporator.
-  **Placement Representative** 2022-2023  
**Department of Chemistry**  
Dr B R Ambedkar National Institute of Technology, Jalandhar, Punjab, India.
  - I have helped students determine employment choices matching their career interests.
