- Attended conference on Evolution of Paint organised by MIT Pune.
- Attended "3 day's free course on oil, gas & water chemical treatment" organized by Petroleum Engineers Association.

PROJECT & SEMINAR

- **Minor Project:** Anti Fire Paint
- **Major Project:** Manufacturing of Paint from waste plastic with the help of ethanol and acetone.
- **Seminar:** Study of low VOC Paint.

TECHNICAL SKILLS

- MS-Office (Intermediate)
- MS-Excel (Intermediate)
- DWSIM Software (Beginner)
- Fluid Flow Software (Beginner)
- Python (Beginner)

STRENGTHS

- Strong decision-making capacity
- Responsible towards work
- Active team player
- Strong Communication
- Flexibility and Adaptability
- Ability to manage stress, time and people effectively

COMMAND OVER LANGUAGE

- English (S/R/W)
- Marathi (S/R/W)
- Hindi (S/R/W)

SUBJECT STUDIED

- Chemical Reaction Engineering
- Chemical Thermodynamic
- Mass Transfer
- Heat Transfer
- Instrumentation and Control
- Plant Design and Project Engineering
- Chemistry and biochemistry of Fats
- Technology of soaps, detergents, essential oils and glycerine
- Technology of surface coating

AREA OF INTEREST

- Production
- Quality Control
- Research and Development

PERSONAL DETAILS

Name : Prajwal Ratnadip Manke
Date of Birth : 03/03/2000
Blood Group : O+
Gender : Male
Nationality : Indian

DECLARATION

I declare that the above information is true to the best of my knowledge and belief.

Date:
Place: Amravati

Yours Sincerely,
Prajwal R. Manke
