Career objective

Willing to learn with an open mind so that I can contribute to the organization's growth and attain professional satisfaction.

Project

Synthesis of polyaniline and its application.

Description:

- Synthesis of pure conducting Polyaniline
- Characterization studies of polyaniline
- Preparation of Polyaniline- Zinc oxide nanocomposite
- And Characterization studies of the film.

Synthesis of bio-degradable chitosan films from waste crab shells.

Description:

- Synthesis of Chitosan from chemical and biological methods.
- Film preparation.
- Application studies of Food packaging and Plant growth enhancer.

Internship

An internship at "Wallace Laboratories Pvt. Ltd."

Workshops attended

- Robotics workshop - received hands on experience in basic robot building
- "Basic training in water analysis and microbiology"
- "Wastewater analysis and training in Atomic Absorption Spectrophotometer for the analysis of Trace elements"

Technical skills

- Computer application in chemical engineering and simulation.
- Computational methods in chemical engineering.

Achievements

- Participated in the "Innovative idea competition" held in the Chemical Engineering Department.
- Participated in the "ALCHEMIST-2019" a 3rd level national symposium at KLE Dr.MSSCET Belagavi.
- Grade 'A' certificate in NCC.

Education

SDM College of Engineering and Technology,Dharwad.

Pursuing 7th semester in Chemical Engineering Department with a CGPA of 9.01 (Batch 2016-2020)

ICS Mahesh Pre-University College, Dharwad.

86% in PU 2 (Batch 2014-2016)

Presentation Girls' High School, Dharwad.

With 93.76% in the 10th std (Batch 2014-2013)

Extra curricular activities

-
- **Participation in All-India Essay Writing Event 2013 organized by UNIC.**
 - **Certification in "Information and Systems Management".**
 - **3rd place in the extempore speech competition.**
 - **Active participation as the Secretary of Science club.**

Skills

Confident, leadership qualities, team building skills.

Interests

Learning new languages, listening to music and watching movies.

I hereby declare that the above information is true to the best of my knowledge.

Place: Dharwad
