SUMMARY

A fresh graduate in Chemical Engineering from the Bundelkhand Institute of Engineering and Technology, Jhansi. Seeking a challenging position in a reputable organization to expand and utilize my learning, skills, and knowledge. Possess excellent communication skills and an eye for detail. Flexible to work in any environment as required.

EXPERIENCE

Subject Matter Expert (Chemistry)

Chegg

July 2023 - Present

Subject Matter Expert (Chemistry)

QA Solvers

June 2023 - July 2023

Content Writer

Buddha Education Association Incorporation

September 2021 - November 2021

HR Intern

MissionEd

June 2021 - August 2021

- Promoted the scholarship exams (MSAT and MSAT 2.0) of the organization in various schools and colleges.
- Promoted internship drives in colleges.
- made MOUs signed by schools and colleges with the organization.

Campus Persuader

Cipher Build

September 2020 - October 2020

- Collaborated with other persuaders from different colleges and promoted technical programs, workshops, and competitions on college campuses.

PROJECTS

Bioenergy and Biofuels: Operations and Technologies

October 2021 - December 2021

- This is a review paper project on Bioenergy and Biofuels and their operations and technologies.
- I have worked on different research papers related to bioenergy, biofuels, and the classification of renewable energy sources.

Predictive Nature of Hindi Case Markers

June 2020 - January 2021

- I observed many research and review papers and books related to case markers, noun type, characteristics of nouns, tense, sentence type, verbs, etc.
- In the month of August, I distributed the Google Forms among 200+ people to complete sentences with different nouns and case markers given and submit an abstract to various International Conferences like ICOLSI 42.
- I successfully presented my research paper in ICOLSI 42, GLA Mathura, in December, where people from different parts of our country and foreign countries participated.

EDUCATION

Bachelor of Technology (Chemical Engineering)

Bundelkhand Institute of Engineering and Technology, Jhansi • Jhansi, Uttar Pradesh, India • 2023 • 7.94

Intermediate

Shri Mahaprabhu Public School • Prayagraj, Uttar Pradesh, India • 2019 • 86%

CERTIFICATIONS

Industrial Training in IFFCO Phulpur Unit (Urea Synthesis)

IFFCO Phulpur Unit • 2022

Python

GUVI • 2020

INVOLVEMENT

Secretary

BIET Jhansi · Forum of Chemical Engineering · July 2022 - May 2023

Coordinator

BIET Jhansi · Training and Placement Cell BIET Jhansi · August 2020 - December 2022

Curriculum Writer

Team Everest NGO · October 2021 - December 2021

SKILLS

Python, MS Excel, MS Word, MS Powerpoint, Video Editing, MATLAB
