

CURRICULUM VITAE

NAME: SUBASISH ROY CHOWDHURY, PG Diploma in Paint, MBA in Operation Management from SYMBIOSIS

Email: subhasish4444@gmail.com

Phone NO: 9123842924/8668528621

Career Objectives

A dynamic competent Paint Technologist with over 16 years experience in Q.C for managing Q.C testing activity & maintain quality standard ensuring stringent adherence to quality standard & practices for achieving required quality level.

Overview

- Decorative Paints & Industrial Paints production: **developed and modification as well as evaluation of products as per customer demand**
- **Knowledge of Total computer operation** , such as PowerPoint , Excel , also ORACLE Operation & SAP .
- **Knowledge of all modern coating system such as -**
 1. **Protective Coating** - Epoxy Coating , P.U. Coating , Marine Coating , Coil Coating , Heat Resistance Coating , Metallic Coating , Bituminous Coating .
 2. **Automotive Coating** - Quick Drying Paints , Auto Refinish Paints , P.U. Coating , Epoxy Coating , etc.
 3. **High Performance Coating** , - Epoxy Coating , P.U. Coating , Stoving Paints , etc.
- **Industrial & Speciality Coating** - Epoxy Paints , Stoving Paints , Hammertone & Polychromatic , Can Coating , LPG & Barrel Coating , 2 Wheeler & 4 Wheeler Coating , Heavy Duty Vehicle Coating , Defence and Navy - Specialized Paints .
- **Decorative & Furniture Coating** - Solvent & Water based Enamel Paints - Primers , Enamels , Distempers , Interior Emulsion & Exterior Emulsion Paints , Acrylic based & Powder Putty , Road Marking paints both Solvent & Water based , Designer Finish , Marble finish , Metallic Finish , Satin Finish , Stipple Finish , Furniture Enamels , Cycle Stoving Finish , Aluminium Paints – Heat Resistance , Fluorescent Finish , Pearl Finish , Waterproofing & Heat and moisture free finish , Fire Retardant & Fire Proof Paints , Thermosetting Road marking Paints
- **Wood Coating** -- P.U based , Epoxy Based , - Matt, Glossy , Designer , Coloring Finish

- Able to formulate and maintained data through spectrophotometer and color computer software for developing various shades with Tinting Machines .
- Knowledge about POS System and Introduced and developed various shades in Water based and solvent based paints .
- Knowledge of testing of all types raw materials and also finished products .
- Knowledge of Health , Safety , Quality Policy --5 S System , SIRE CODE Implementation , Kaizen of Total plant and machinery , HAZOP , LOTO , PERMIT , SPC , SFC , Production development & efficiency of productivity .
- Knowledge of Alkyd Resin , Epoxy Resin , Hard Resin , P.U Resin production , formulation and development of products as per demand .
- Knowledge of DCS System , as resin production totally automatic and also standardization of products .
- Knowledge of Man Power Utilization , CLTI Process , PPT , TBT , Safety Concern .
- Knowledge of CED , 12 Tank Process , Robotic Painting , Trouble shooting action in Paint shop ,
- Conducting Training Programme for Painter , Like Asian & Berger Paints , Paint Interpreter & Executive for development their theoretical and practical skill , Also awareness about quality of products and testing procedure of raw materials and finished products as per IS Specification .
- Participated in all levels of production, quality system implementation and worked as team players. Contributed best efforts to improve productivity, quality and reduce customer complaints and rejections level in the company as well as customer end by using proper statistical tool to improve the process.

Key Professional Traits

- Strong interpersonal skills.
- Leadership experience.
- Innovative in assessing the qualities of people.
- Team Player and Quick learner.
