This thinner is known as GP thinner .This is a general purpose thinner for various products for alkyd and also for cleaning purposes.This product is also being used to clean oil ,grease ,cleaning purpose of pumps before and after painting

Product Information

Color	Clear & Transparent
Flash Point	Above 30°C
Shelf Life	12 months minimum @ 30°C if stored in a dry sealed container at shaded condition away from heat source and ignition
Recommended Use	For used in alkyd paints and cleaning purpose.

Health & Safety

Use Proper Personal Protective Equipment(PPE) during application of this product.

Please consult Material Safety Datasheet (MSDS)

Precaution

Provide adequate ventilation during application and drying. Clean Spray gun equipment and hose immediately after application of material.

Standard Pack Size

1,5 & 20 litres - For available pack Size- consult Shalimar Paints Limited representative

NOTES:
1. *This Product datasheet supersedes all previous datasheet and subject to change without prior notice*
2. *After adding thinner,mixing with mechanical agitator is strongly recommended*
3. *Use of thinners other than supplied or approved by Shalimar may adversely affect product performance*
4. *Drying is dependent on temperature, relative humidity and thickness,too much addition of thinner may have an adverse effect on drying.*
