- Having supervised in major maintenance of kiln tyre with shell changing, support rollers changing and cooler major maintenance of replacing all the main equipment's in grate cooler of capacity 750TPD.
- Having experience in preparation of schedule for complete activities involved in major maintenance in Kiln shell with tyre changing and major maintenance of cooler.

EDUCATIONAL QUALIFICATION:

Degree/Examination	University/Board	Institution	Percentage	Year
Bachelor of Engineering (Mechanical Engineering)	Anna University	Dhanalakshmi Srinivasan Engineering College , Perambalur	75.50	2014
H.S.C	TN State Board	Little Flower Higher Secondary School, Kumbakonam	77.16	2010
S.S.L.C	TN State Board	Little Flower Higher Secondary School, Kumbakonam	80.20	2008

AREA OF INTEREST:

- Production / Manufacturing.
- Maintenance.

SOFTWARE PROFICIENCY:

- Auto CAD
- MS Office Word, Excel and Power Point.
- ERP & SAP.

PROJECT:

TITLE: Methods of Improving Boiler Performance

This project is to deals with the performance of boiler and improves the efficiency. The efficiency can be improved by minimizing the losses that occurred in boiler. The major losses are unburned fuel loss, flue gas loss, radiation loss and they are minimized by some methods. Hence efficiency can be improved.

EXTRA-CURRICULAR ACTIVITIES:

- Attended workshop on welding technology at K.Ramakrishna Engineering College, Trichy.
- Attended workshop on automobile at NIT Trichy.

PERSONAL PROFILE:

Date of Birth : 4th May 1993
Gender : Male
Marital Status : Single
Languages Known : English & Tamil
Residence Phone No : 9698630485

Place : Ariyalur

Date : 13/05/2021
