Communication

Conceptual understanding

- Conducted research on currently manufactured products to evaluate and improve quality.
- Modified and adapted standard methods and procedures to solve analytical problems.
- Developed laboratory testing programs and data analysis while adhering to SOPs, ECOs, batch records and work instructions.
- Performed technical laboratory functions in compliance with regulatory agencies and safety requirements.
- Decreased lab spending % by purchasing cost-effective supplies and closely monitoring laboratory inventory.
- Traveled to client sites to prepare and analyze environmental samples.
- Worked as a team leader and guided 30 peoples group for daily QC and production line.

Conceptual understanding

Knowledge of quality systems

Quality control tests

Data analysis

Colorant development- color which goes into paint

Paint, primer, distemper development

Texture development - rustic, Dholpur, frost fine , roller coat, multi color paint

Worked as a third party research and production chemist for BASF, Nerolac, Nippon, Jotun, Walplast, Anchor paint

2022-02 -

2022-06

Research and Development Executive

Earthen textures pvt Ltd, Ahmedabad

- Performed Initial QC on raw materials, test samples.
- Worked on new product development
- Oversaw production line, Quality of production samples.
- Oversaw raw material's requisition
- Interpreted and documented results of tests into active databases and communicated results to internal customers
- Calibrated and maintained instruments to keep equipment fully operational
- **Worked as a third party production chemist for Nippon pvt Ltd.**
- Performed testing and quality control using approved laboratory procedures and instrumentation
- Maintained documentation on tests performed in lab
- Set and oversaw quality assurance guidelines for laboratory work.

2019-09 -
2022-02

Research and Development Lab Technician

Behr paints pvt Ltd, Pune

- Performed initial QC on test samples.
- Worked on new product line - Behr colorant and Behr road runner paint.
- Recorded, analyzed and distributed statistical information
- **Worked with BASF on colorant development.**
- Worked on ideation topic - hybrid pigment and halloysite.
- Updated data to US counterpart.
- Calibrated instruments.
- Resolved problems, improved operations and provided exceptional service.
- Participated in continuous improvement by generating suggestions, engaging in problem-solving activities to support teamwork.
- Increased customer satisfaction by resolving issues.

- Implemented new quality assurance and customer service standards.
- Recorded, analyzed and distributed statistical information.

Education

PUC

PCMC

GPA: 58

BSC

GPA: 7.9

2015-06 -
2018-06

Bachelor of Science: Chemistry

Karnatak Science College, Karnatak University -

Dharwad

GPA: 82

MA: Economics (ongoing)

IGNOU

Accomplishments

- Was awarded the merit letter for excellent work at Behr paints.
- Developed multicolor paint.
- Published two fiction books as a writing hobby.
- Got a certificate from IIT madras on Wildlife conservation (hobby)
