Education

- | | |
|-------------------------------------|---|
| 2015 – 2019
Visakhapatnam, India | Bachelor in Mechanical Engineering
<i>Pydah College Of Engineering and Technology</i>
I have graduated in mechanical engineering from pydah engineering college and awarded in 1st class in degree.I have awarded 3rd prize in my technical model expo conducted in our college. |
| 2013 – 2015
Visakhapatnam, India | Intermediate
<i>Sri Gayatri jr.College</i>
I have my done my 10+2 with main subjects of Mathematics,Physics and Chemistry. |
| 2012 – 2013
Visakhapatnam, India | Matriculation
<i>Amar Concept School</i> |

Professional Experience

- | | |
|-------------------------------|--|
| 2022 – present
Sohar, Oman | Coating Engineer
<i>L&T Modular Fabrication Yard,LLC</i>
Project: Marjan Increment Project-1 & 2 Offshore Structures and Facilities.
Client : Saudi Aramco <ul style="list-style-type: none">• Monitoring & controlling production, Quality, Safety, Security, Health & Environments (QSSHE) issues to meet defined standards if any abnormality.• Set up, maintain and trouble -shoot abrasive blasting and coating equipment, including proper blast nozzle pressures, inspect moisture /oil separators, use proper solvent cleaning techniques, obtain correct surface profiles and cleanliness levels, establish correct spray patterns and able to gauge the proper timings to start blasting and consecutive coating application.• Individually handling and executing the job in Projects.• Responsible for stage wise painting / coating internal inspection.• Undertake painting / coating activities in the workplace on a daily basis Monitor weather conditions for surface preparation and painting / coating application.• Execute Painting / coating inspection work as per company / project inspection test plan.• To check and monitor all painting / coating related works and ensure all final products meet in accordance with company procedure, client requirement and international codes.• Prepare all necessary QA / QC painting / coating documents and hand over to client's review.• To undertake test qualifications for spray painters, abrasive blasters.• Co-ordinate with the paint manufacturer technical representative. Review of painting Specification and making of painting procedures as per project Specification. |
|-------------------------------|--|

- Monitoring and Inspection of surface preparation, Blasting, Mixing and Painting.
- To ensure and check abrasive, surface profile, coating and Perform test such as dust test, holiday test, conductivity test and adhesion test etc. for external and internal painting systems includes but not limited to solvent free paints, high temperature paints etc. for pressure vessels, Tanks, and offshore skid structures.

2019 – 2022
Visakhapatnam, India

Coating Inspector

Hindustan petroleum corporation limited

- Performing activities as per client requirements.
- Coating inspection on Tanks and Pipe lines.
- Monitoring weather conditions and making a record of changes.
- Monitoring WFT and DFT requirements as per specifications.
- To ensure material used on site as per client specifications.
- Witnessing and documenting of Coating/painting activities through the preparation of daily inspection Reports, through raising RFIs, inspection and documentation.

Certificates

National Association of corrosion engineers

I have certified as a NACE LEVEL-2 coating inspector.
Cert no-N-81965
Exp-Jan 29,2024

NDT-LEVEL-2

I have certified as a NDT-LEVEL-2 in DPT,UT,RT and VT

Technical Training

06/2018 – 06/2018

Internship Training

Hindustan Shipyard Limited-Visakhapatnam

I have done my internship ship training in Hindustan shipyard in Visakhapatnam.i have gone through ship hull berths fabrication and submarine repair and tug boat fabrication and some knowledge of the coatings used in marine.

Skills

Communication

I can speak,read and write Telugu hindi and English

Leadership

I have been a leading a team in the maintenance painting job of structural beams and supports.I am excellence in guiding and making the decisions to complete the task as simple as possible and efficient.

Time management

I work with according to the time and make planning to make the job to be completed on time

Declaration

I here thereby i declare that all above mentioned information is true and correct as per my knowledge.
