### Career Objective

- Seeking for job as a chemist which will allow me to grow professionally, while being able to utilize my knowledge and skills. Pharmaceutical and chemical industries are places where skill is to process our knowledge of chemical analysis. I believe that a good chemist has extensive chemical knowledge and provides and conducts chemical analysis, experiments for the development of knowledge, processes, products and materials to make a huge difference to the industry, society and environment.

### Research Interest

- I have completed my project on “Organic Light Emitting Diode”. I have an interest to use fluorescent organic material and MOFs for making “White Organic Light Emitting Diode” and Organic synthesis. Now a day’s WOLEDs helps to save conventional and non-conventional energy. But due to its’ high manufacturing cost commercialization is not possible. It will be solved by using Fluorescent material or MOFs.

## Academic Qualification

NAME OF EXAMINATION	BOARD/ UNIVERSITY	YEAR OF PASSING	CGPA/ PERCENTAGE OF MARKS (%)	DIVISION /CLASS
M.Sc. (Chemistry)	Indian Institute of Engineering Science and Technology, Shibpur	2019	CGPA= 6.5	1 <sup>st</sup>
B.Sc. (Honours) (Applied Chemistry)	Central University of Jharkhand	2017	CGPA=7.59	1 <sup>st</sup>
Higher Secondary (Science)	W.B.C.H.S.E.	2014	61.02	1 <sup>st</sup>
Madhyamik	W.B.B.S.E.	2012	76.57	1 <sup>st</sup>
